

## THE AFTER SCHOOL PROGRAMME REGISTRATION FORM 2019-20

### The After School Programme

provides an enriching bilingual environment for all Elementary School students. The extended day is offered from dismissal until 6 pm. The Programme allows students from various grades to form friendships while enjoying nutritious snacks and age appropriate playtime activities. Homework Club takes place from 3:45 pm to 5:00 pm under the supervision of experienced and bilingual educators. Students in the After School Programme can also register for After School activities such as ballet, at an additional cost.

### Le Programme de garde parascolaire et de supervision des devoirs

offre un milieu bilingue et enrichissant pour les élèves dont les parents souhaitent qu'ils complètent leurs devoirs dans un milieu encadré, tout en développant de nouvelles amitiés. Le service de garde parascolaire est offert tous les jours à partir de la fin des cours jusqu'à 18h. Les enfants sont servi une collation santé, participeront à une grande variété d'activités et complèteront leurs devoirs de 15h 45 à 17h 00 sous la supervision d'éducateurs bilingues. Les élèves inscrits au programme de garde parascolaire et de supervision des devoirs ont aussi la chance de s'inscrire aux activités parascolaires.
