

The world needs great women...it starts at The Study. Founded 1915, and recognized as one of Canada's premier girls' schools, The Study actively fosters the development of character, confidence and visionary thinking. Dedicated teachers and staff offer a stimulating bilingual environment to students from Kindergarten to Grade 11.

Elementary School (Homeroom Teacher) - English & Math **Full-time, 1-year replacement**

We are looking for an enthusiastic and talented elementary school **English and Math homeroom teacher** to offer innovative and diverse programming that engages students to think critically and creatively. The successful candidate will complement an exceptional and accomplished teaching faculty in the Elementary School.

Position Requirements:

- A passion for teaching and a familiarity with best practices in an all-girls school
- A demonstrated ability to differentiate instructional practices for a diverse community of learners in a classroom setting
- An ability to enhance learning through information technology as students are in a one-to-one laptop environment
- A desire to work enthusiastically and collaboratively with other faculty and The Study community at large
- A commitment to the co-curricular life of the school through coaching and involvement in school activities
- Contribution to the student experience and life of the school

Education and Work Experience:

- A bachelor's degree with formal training in English and/or Literature, and Mathematics
- A Bachelor of Education/Brevet d'enseignement
- Excellent working knowledge of English and French
- Comprehensive understanding of the Québec Education Program
- Preferred experience in independent schools

Letters of application and a CV, should be sent to Franca Monaco at fmonaco@thestudy.qc.ca by June 15th, 2022.
