

December 17, 2021

Dear Study Parents,

This letter is to inform you that a positive test result for COVID-19 has been declared in the Senior School. The student was last in school on Tuesday, December 14 and is mildly symptomatic.

Your ongoing cooperation continues to be important. Please remain attentive in the monitoring of your state of health and that of your daughter. We encourage you to consult the health authorities' online COVID-19 Symptom Self-Assessment Tool. As per the assessment tool, if you or your child present with one or more of the symptoms listed in the chart below, please call 514-644-4545 without delay to determine whether there is a need for a screening test for COVID-19.

<b>One</b> of the following symptoms	<b>Two</b> of the following symptoms
Onset or aggravation of a cough Sore throat Fever (38 C or more) Difficulty breathing Sudden loss of smell with or without loss of taste, without congestion	General symptoms (muscular pain, headache, intense fatigue or loss of appetite) Diarrhea Vomiting or abdominal pain

To find a testing clinic, visit the testing section on the Santé Montréal Website:  
<https://santemontreal.qc.ca/en/public/coronavirus-covid-19/>

We remain committed to transparency, and we will continue to keep you informed on all matters related to COVID-19 positive cases confirmed within The Study. Rest assured that we are monitoring the situation closely and in collaboration with our local health authorities. Our number one priority is the health and safety of our students, staff and their families.

Again, thank you for your collaboration and understanding,

Kim McInnes  
Head of School
