

*The world needs great women...it starts at The Study. Founded 1915, and recognized as one of Canada's premier girls' schools, The Study actively fosters the development of character, confidence and visionary thinking. Dedicated teachers and staff offer a stimulating bilingual environment to students from Kindergarten to Grade 11.*

**Lab Technician (Part-Time – replacement position – immediate)**

Senior School

**Qualifications:**

- A university degree in science is an asset
- Knowledge related to chemical and hazardous materials is necessary
- Ability to integrate new technologies is an asset
